

## LANDLORD LETTER OF PERMISSION FOR SERVICE INSTALLATION

Lafayette City-Parish Consolidated Government (LUS Fiber) is hereby granted access to the premises of any current or future tenant(s)/lessee(s) of the property(properties) located at \_\_\_\_\_ in Lafayette, Louisiana, or at any additional addresses listed on the page 2 of this document, and all telecommunications closets and associated facilities (including, but not limited to, raceways, power outlets, telecommunications racks, etc.), as more fully shown on any exhibits to follow.

Access is granted to LUS Fiber for the purpose of providing telecommunications and/or advanced services and the installation of any necessary facilities for the provision of those services within the specified building(s). Access shall be permitted until such time as LUS Fiber ceases to provide telecommunications and/or advanced services within said building and for such additional time as may be necessary for LUS Fiber to remove its facilities from said building after LUS Fiber no longer provides such services.

I have the authority to sign this Letter of Permission and authorize LUS Fiber, or its authorized representative, to install LUS Fiber services and facilities at the address(es) specified in this document.
